EIGHT WEEKS VOLUNTARY SERVICE IN GERMANY

Internationaler Bauorden is a youth organization with Catholic roots that has supported social and non-profit institutions with construction and renovation work ever since 1953. Anyone can help, whether you are religious or not. So come and take part in an international work camp.

WHAT EXACTLY WILL YOU DO?

- You spend eight weeks in Germany – with experience in four different work camps.
- You live and work in international teams with 8-12 young volunteers from all over world – mostly Europe. You help clubs and organisations that have something they need to build or renovate. It could be a nature playground. Or a centre for ecological education. An asylum centre for women in need. Or a farm where poor children can go on holiday. All these projects can use your help.
- You work together with other volunteers eight hours a day, five days a week. Maybe you'll build a wooden cabin. Or paint one. Mix concrete. Or build a wall. Never done anything like this before? Don't know how to? Don't worry, you don't need any experience, as long as you're not afraid of work and want to learn something new.
- Your weekends are free. You are welcome to discover the nearby cities and do sightseeing. You might want to hang out with your new friends from the work camp.

- Most of the work camps are located in rural areas of Germany, so fresh air is guaranteed. (Internet not always.) You travel to a new project every two weeks, mostly by train. All travel costs between the work camps are paid for by Internationaler Bauorden. You will know in advance which work camps you are taking part in before you come to Germany.

THIS IS FOR YOU IF ...

- You're interested in spending time with people from other cultures
- You're willing and in good physical condition to work eight hours a day on a construction site
- You like to travel, work in a team and are tolerant of others
- You have at least a very basic knowledge of English. If you can speak German too, great – but it's not necessary.

WHAT DO YOU GET FROM US?

- Free board and simple lodging (7 days a week)
- Total €200 pocket money (€50 in the first camp and €150 in the last)
- Liability and accident insurance
- Help applying for a visa, if necessary
- Certificate of participation
- Equipment (safety shoes and sleeping bag)
- You have to pay for the journey from your home to the first work camp and your return journey from the last work camp back home.
